ADDRESS ALL CORRESPONDENCE TO:  
P.O. BOX 1460  
ALHAMBRA, CALIFORNIA 91802-1460

IN REPLY PLEASE

REFER TO FILE: **T-3**

February 9, 2006

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**RADAR SPEED ENFORCEMENT  
SUPERVISORIAL DISTRICTS 1 AND 4  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt an Order instructing the Director of Public Works to coordinate with the California Highway Patrol (CHP) to implement radar speed enforcement on Herbert Avenue between Medford Street and City Terrace Drive in the unincorporated County community of City Terrace (Supervisory District 1).
2. Adopt an Order instructing the Director of Public Works to coordinate with the CHP to implement radar speed enforcement on San Gabriel Boulevard/Paramount Boulevard between Potrero Grande Drive and a point 40 feet north of Arroyo Drive in the unincorporated County community of South San Gabriel (Supervisory District 1).
3. Adopt an Order instructing the Director of Public Works to coordinate with the CHP to implement radar speed enforcement on Fiji Way between its southerly terminus and Admiralty Way in the unincorporated County community of Marina del Rey (Supervisory District 4).

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The residents of the unincorporated County communities as well as the CHP are concerned about public safety in pursuing speeders with conventional speed enforcement measures and requested the use of radar speed enforcement on these routes.

High-speed surveillance and pursuit expose the offender, law enforcement personnel, and the general public to increased accident potential. The use of radar will significantly reduce accident potential.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County Strategic Plan Goal of Service Excellence since radar enforcement significantly reduces speeding and accident potential caused by high-speed surveillance and pursuit and, therefore, will improve the quality of life in the County.

### **FISCAL IMPACT/FINANCING**

All expenses associated with the use of radar equipment and patrols will be borne by the CHP. The purpose for recommending adoption of this Order is solely to provide the CHP with Board authorization to implement radar for speed enforcement on the aforementioned routes.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On March 31, 1987, your Board approved a Memorandum of Understanding with the CHP for the expanded use of radar enforcement within the unincorporated County territory. The Memorandum of Understanding was revised and approved as an Agreement between the County of Los Angeles and the CHP by your Board on October 5, 1993. A key provision of the Agreement requires the use of radar on any additional routes be subject to mutual approval by the County of Los Angeles and the CHP. The proposed recommendation for the use of radar on this route is in conformance with this provision of the 1993 Agreement.

The Honorable Board of Supervisors  
February 9, 2006  
Page 3

### **ENVIRONMENTAL DOCUMENTATION**

The establishment of radar enforcement, including the installation of related traffic control devices required to notify the motoring public, is categorically exempt under Class 1-(x)7 of the Environmental Guidelines approved by your Board.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

### **CONCLUSION**

At such time as this recommendation is adopted, please return one copy of this adopted letter to Public Works.

Respectfully submitted,

DONALD L. WOLFE  
Director of Public Works
